

Kitimat Airshed Group Community Wood Smoke Reduction Program

Applicant Name: _____

Declaration Form for Scrap Metal Recycling Facility

The resident dropping off this stove is a participant of the Provincial Community Wood Smoke Reduction Program (formerly called Wood Stove Exchange Program). This Program aims to reduce air pollution by exchanging old, smoky wood-burning appliances for new, low-emissions appliances. The entire Program rests on the premise that the old stove will never be sold or used again. Please read and sign the Declaration below to verify that this requirement has been met. For more information, visit the BC Air Quality website: <http://www.bcairquality.ca/topics/wood-stove-exchange-program/>

Note to Attendant:

I understand the goals of the provincial Community Wood Smoke Reduction Program, and I declare that this stove will be crushed or otherwise destroyed before it leaves this facility, such that it cannot be used or sold again.
